

FOGLIO

design Pinuccio Borgonovo
2020

Foglio is a nightstand in metal, with light and essential lines. It has been created from a simple sheet of harmoniously curved metal, in the finishes matt burnished, oxide or black, inside of which there is an almost suspended space, a storage compartment with a drawer and a shelf. The frontal panel of the drawer is available in the same finish as the structure or in a variety of materials: porcelain-stoneware in the colours Concrete and Liquorice or mirror in the smoked or bronze finish.
