design Centro Ricerche Flou
1992/2014

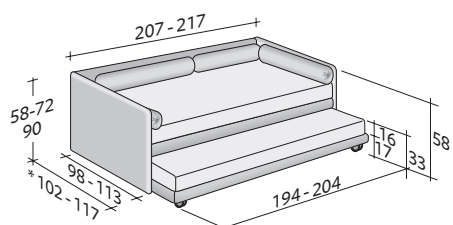

Transformable bed of simple elegant design. Structure with completely removable fabric, leather or Ecopelle covers. Available with fixed base with slats. Single bed which can be joined by a trundle bed fitted with a gas piston mechanism that allows it to be raised easily to the height of the first bed. Thanks to two special rubber - coated steel blocks, the two beds can be joined together to form a double-size bed. Completed by an elegant seat cover, pillow covers and roll cushions, it can be customized with the addition of a backrest. Since 2014 a new loose version of the cover called 'shabby chic' has been available , with shaped cushions that improve the seat comfort when used as dormeuse or sofa.
